

# Disposal/Building Decommission

## The Team That Delivers Excellent Customer Care

---

Once a department or agency has completed its tenure, the area or building will need to decommission, and the items are either repurposed and relocated or disposed. TAMS render the services of Disposal and Decommission of specific areas or buildings. This includes providing the labor, materials, equipment, supplies, transportation, and all of the required supervision necessary for the service.

TAMS will Provide walkthrough support with the agency or corporation staff to determine what items are to be disposed or delivered to other agencies. Prepare inventory of all items, tag items for designation and place the schedule for the relocation of items and adjust the schedules to accommodate facility availability.

For Government agencies, some items are prepared and delivered to GSA. For the successful accomplishment of this requirement, TAMS conduct a pre-move inventory of all items, IT and non-IT equipment for the GSA Excess. Relocate and dispose of all GSA disposal approved items, provide all equipment and move materials necessary to relocate all furniture, equipment and property.

TAMS can perform relocation of departments and staff items, as well as perform the furniture deinstallation of cubicles and workstations, etc., and then prepare and execute the decommission of the departments and or facility and dispose unwanted items, or deliver to the required destination.

TAMS will manage the total work effort associated with the services required herein to meet the performance objectives and standards. Such management shall include, as a minimum, planning, scheduling, resource management, report and submittals/deliverables preparation, establishing and maintaining records, and quality control. TAMS will conduct all work in a manner that seeks to establish an effective balance between maximizing productivity and minimizing waste while fully complying with all applicable laws, regulations, and terms and conditions of this contract. TAMS will immediately notify the agency of problems so that together they can gauge the impact on the organization and notify appropriate officials.

You Have a Winning Team with TAMS.
